Arzberg - Joyn - Denim Blue

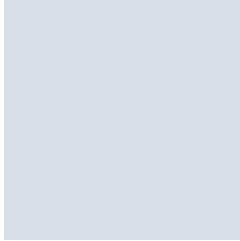

Trendy and easy-going - the new Joyn Denim Blue colour by Arzberg is a versatile all-rounder. Like the popular blue jeans, denim is a cool everyday companion and creates a laid-back look for any occasion. On the plates, cups and bowls in various sizes, the light denim blue conveys comfort and serenity and at the same time, in combination with the soft sand beige and shimmering anthracite grey of the Joyn Stoneware collection, it unfolds a distinctive presence that always reflects the spirit of the times. Joyn Denim Blue makes a trendy statement on the table and works well with natural materials such as wood and linen along with the Joyn colours White, Grey and Mint Green.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal.

Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
