Hutschenreuther - Christmas Carols: "Leise rieselt der Schnee"

With its new limited collection, Hutschenreuther is drawing a dreamy winter fairy tale on fine white porcelain and adds the Christmas carol "Leise rieselt der Schnee" (en: The snow falls slowly) to its festive songbook. The contemplative melody jingles from the hand-painted music boxes in two different sizes and captures the anticipation of Christmas in a colourful décor.

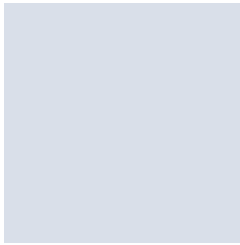

A beautiful pine garland decorated with red bows, cones and Christmas balls adorns the plates, mugs, napkins and star bowls, creating a joyful feeling for the whole family. In addition to the colourful bells, balls and biscuit plates, two fine mini tree ornament sets in the new collection create a cheerful Christmas mood and increase the joy of the festive season.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio

features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
