Hutschenreuther - Christmas Songs collection 'Fröhliche Weihnacht überall'

Christmas Songs collection 'Fröhliche Weihnacht überall'

The festive period is full of the sounds of people singing and bells ringing. The limited-edition Christmas Songs collection takes this quite literally. It is being continued in 2018 with the Christmas song 'Fröhliche Weihnacht überall'. Beautifully wrapped Christmas presents, cuddly stuffed animals and images of Knecht Rupprecht adorn the festive collection, which features mugs, biscuit plates and tree decorations made from glass and porcelain alongside tins, snow globes, napkins and an étagère. The highlight of the collection again this year is an elaborate, lovingly made music box, which calls to mind playful and happy memories of childhood with images of Santa Claus, mountains of presents and a goose pilfering the Christmas tree.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability"

unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
