Hutschenreuther - Collector's edition Christmas Market

Hutschenreuther Collector's edition for 2019 – Christmas Market, design: Renáta

The artist Renáta Fučíková has centred the new Hutschenreuther collector's edition for 2019 on a happy family stroll through a snowy Christmas market. The finely crafted bells, pine cones, boots and baubles show children munching delicious sweets, mothers and fathers picking out a Christmas tree and musicians playing enthusiastically and encouraging a sing-along. The designs are framed by rich gold applications, red ribbons and a snowflake-covered sky.

In addition to the limited collectors' items, the collection includes an extensive array of gifts, ranging from star-shaped plates and bowls, cups, a tea light holder, boxes and star ornaments to a snow globe and music box. Figurines, a Christmas tree topper and a candle arch are also getting us excited for Christmas.

Renáta Fučíková (born 1964 in Prague) studied illustration at the Academy of Arts, Architecture and Design in Prague and currently teaches at the University of West Bohemia in Pilsen. She has illustrated and written books for children and young people since 1988. Her work has been exhibited around the world and won numerous awards.
