

Chickens with their chicks are this year's collector's favourites by Hutschenreuther

Dec 01, 2020 08:10 GMT

Hutschenreuther - Collector's items Easter 2021

Chickens with their chicks exude a true family idyll in the Hutschenreuther collection Easter 2021 on porcelain eggs and hearts. In the lush farmer's garden, a stately rooster and a careful mother hen with her fluffy chicks are happily cavorting around - this year's collectors' favourites by Hutschenreuther. Framed by colourful wild roses and butterflies, they enjoy the warm sunshine. Spring brings flowers to the whole world, and delicate wild roses in rosé, pink and yellow adorn the "Spring meadow" and "Spring greetings" décor. They bloom on much-loved mini eggs and hearts and spread a wonderful spring mood throughout the house.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal.

Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
