Hutschenreuther - Cozy Winter

Cozy Winter gift collection

In winter, there's nothing better than coming back to a nice cozy house when it's cold, wet and grey outside. This wonderfully warm and homely feeling was the inspiration behind Hutschenreuther's new Christmas collection comprising a range of magical gift and decorative ideas in an idyllic country style.

Bold check patterns in red and green are combined with heavily detailed bird designs. Winter berries, red bows and delicate twigs give the lovingly coordinated collection a touch of charm, naturalness and a feel of cottage romance.

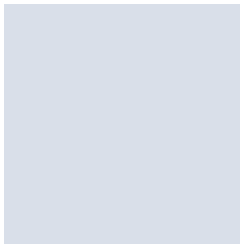

Mugs, cappuccino cups, mulled wine glasses and biscuit plates and jars are ideal for hot drinks and sweet treats, while glass lanterns, porcelain tea light holders and fairy-tale-like tree decorations create a wonderfully romantic yet rustic Christmas atmosphere.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted

elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
