Hutschenreuther - Easter 2019 Porcelain egg and heart

Hutschenreuther Collector's Editions Easter 2019

Collectors' pulses will quicken at the sight of porcelain eggs and hearts in 2019, with the customary vivid colours and lovingly created bunny designs. Against a cheerful backdrop, Easter bunnies sell their gorgeously painted Easter eggs at the spring market, tend to their meticulously planted vegetable gardens or enjoy the warm spring sunshine on a group outing. The various Easter scenes are artfully centred within elegant frames of finely drawn flowers and green vines as well as delicate, fresh blue ribbons.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with

collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
