## Hutschenreuther - Easter 2020 Porcelain egg and heart

### Hutschenreuther Collector's Editions Easter 2020

This year's Hutschenreuther collectors' favourites romp about in the midst of colourful flowers and juicy grasses: sweet kittens discover the just blossoming treasures of spring in the Easter collection 2020 consisting of porcelain egg and heart as well as three midi eggs. Finely drawn, the four-legged friends roam the colourful garden and enjoy the first warm rays of sunshine. Curiously, they watch the fluttering butterflies that also adorn the new mini eggs and mini hearts. The popular egg tin, as well as three hand-painted cat figures made of high-quality porcelain, inspire with lovingly worked out details. A music box, limited to 999 pieces worldwide, with the melody of Tchaikovsky's "Blumenwalzer" completes the collection.

### From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the

path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
