Hutschenreuther - Springtime

'Springtime' gift collection

Next spring, pretty dots, delicate filigree hare silhouettes and powdery pastel tones will conjure up good moods and fresh ideas for vintage-look decorations for the kitchen and living room. Whether in tone-on-tone or a trendy mix of colours – the cheerful dot design in lemon, pink, turquoise and taupe will make an impression thanks to a variety of different items that can be combined and sweet floral embellishments.

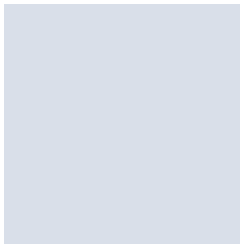

Cups, plates and bowls, as well as mugs and egg cups, will grace the Easter brunch table and create the perfect spring atmosphere for tea and coffee with friends. Two napkin designs, a matching drinking glass, which can be easily used for water, wine or home-made lemonade, and a metal étagère with two small wicker baskets round off the collection nicely. Shrubs and trees can be decorated with porcelain eggs in two sizes and exotic birds in lemon, pink, turquoise and taupe, while Easter gifts can be trimmed with lovingly decorated ornaments.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted

elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
