Rosenthal meets Versace - Medusa Amplified: Golden Coin

Christmas season is glorious with the Medusa Amplified Golden Coin. Rosenthal meets Versace's new Christmas collection emphasizes Versace's iconic Medusa medallion logo in classy red and gold. The fine porcelain collection of plates, cups, dessert étagères and tree ornaments encompasses a joyful atmosphere at the festive table and in every home. As each year a collector's plate in a limited edition is dedicated to the Christmas collection. This year it says: „Joy awaits those who dare to dream of a life in gold.”

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
