Rosenthal meets Versace - Medusa Grande

Rosenthal meets Versace Medusa Grande

The elegant Rosenthal meets Versace collection welcomes its newest addition. The iconic Break the Bank Medusa silhouette is reinterpreted – this time as a vase.

The three-dimensional Medusa was first envisioned as a bank, perfect for saving any loose change and ideal as a gift. This season, the slit on the top of Medusa's head is made larger, fitting perfectly an array of flowers. Crafted out of the finest porcelain, the legendary silhouette comes in two sizes.

The Medusa Grande is available in four tones: glazed white, black, silver and gold.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental

and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
