## Rosenthal meets Versace - Medusa Gypsy

### Rosenthal meets Versace Medusa Gypsy

Gaze-locked by the Medusa! Fine porcelain boxes with Medusa-shaped lids keep your small possessions safe in Versace style. Drawing inspiration from the international globetrotting life, the gypsy and the wanderer culture. These boxes are ideal for safe-keeping of all nomadic trinkets that tend to get lost easily – jewelry, hair pins, keys, safety pins or cufflinks. The three-dimensional, representation of the Medusa comes in seven glazed colors: shiny gold, silver, black, white, pink, blue and deep blue.

### From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
