

Cheers to Versace: Rosenthal meets Versace red wine glasses Medusa Lumière Clear and Haze

Feb 08, 2019 04:35 GMT

Rosenthal meets Versace - Medusa Lumière Clear and Haze

Rosenthal meets Versace Medusa Lumière

Nights have never been more Versace! New variants of the iconic Rosenthal meets Versace collections Medusa Lumière and Medusa Lumière Haze are introduced – new takes on sophisticated crystal glasses, goblets and decanters.

The elegance of crystal in these pieces is emphasized by refined colors – clear, fume grey and red, blue and amber tones, while their boldness is highlighted by Medusa accents. Symbols of ultimate elegance and mystery, the crystal drink sets are created with mythical evenings in mind.

Rosenthal meets Versace Medusa Lumière Clear and Haze

Cheers to Versace! The new extensions of the Medusa Lumière Clear and Medusa Lumière Haze lines make glasses clink in style. A new range of products include a decanter and sets of red wine glasses – for Burgundy and Bordeaux – available single or in sets of two.

Another addition comes in the form of a coaster and ashtrays – octagonal, fumed grey home décor embellished by a three-dimensional Medusa.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The

former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
