Rosenthal meets Versace - Versace Jungle Animalier

The latest fine porcelain collection fuses the iconic Jungle print with animalier patterns and heritage Medusa accents.

Drawing inspiration from the legendary design famously reprised on the Versace Spring-Summer 2020 runway and the book “South Beach Stories”, an iconic photographic book by the Versace family, the **Versace Jungle Animalier** line refreshes tableware in a vivid color palette. Crafted in exceptional quality porcelain, the collection encompasses a range of plates, coffee and tea sets, an array of vases and decorative home accents.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental

and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
