## Rosenthal - Silver Collection Streaked

### Rosenthal Silver Collection

#### Picture Frame "Streaked"

Photos of beautiful moments, but also treasures from nature, such as flowers or leaves, are captured by the Rosenthal Silver Collection in silver-plated picture frames. For small and large memories, the "Streaked" collection is available in two formats: 10 x 15 cm and 15 x 20 cm.

The high-quality frame, bent from one piece of metal, consists of two glass panes held by a base in silver, gold or rose gold. The metallic surfaces of the Rosenthal Silver Collection are sealed with a special protective lacquer that makes polishing unnecessary.

#### Tealight holder "Streaked"

Matching the picture frames, tealight holders are available in silver, gold and rose gold. They make standard tealights (4 cm and 6 cm) the star on each festive table.

### From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter

built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
