Rosenthal - Zodiac plate Year of the Dog

Zodiac plate Year of the Dog/Design: iSHONi

In the Chinese Zodiac, the dog represents elegance, joy and friendliness. Mainly, however, it's a family pet, characterised by devotion, loyalty and attentive communication. Based on these properties, the iSHONi Design Office has created a harmonious star sign plate for Rosenthal in vibrant orange. The playful side of the dog is depicted in the shape of an amulet made of natural wooden pearls which he proudly wears around his neck as a jewel, together with the golden key of wisdom. The water blue and turquoise leather straps are reminiscent of the interaction between natural forces such as wind and water. Decorative symbols around the edge such as a triple spiral or the tree of life make a direct connection with creation and the unfathomableness of life. They also symbolise the belief in the good in people which is one of the dog's characteristics.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide

but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
