Sambonet - 1965 Vintage Extension

1965 Vintage Extension

The reinterpretation of tradition, expressed by a remembrance of the warmth of home and hearth, is behind the concept of the new Vintage 1965 capsule collection, a fascinating series in aluminium that includes non-stick skillets, casseroles, saucepans and woks.

With this collection, Sambonet continues its theme of combining tradition and innovation, a bridge between the past and the present in which form, technology and practicality become one to create new interpretive spaces in cuisine. Today, the #ReinVintage spirit offers cross-pollination and original 'mix & match' combinations of objects from our culinary memory, our habits and our needs, with designer tools whose modernity and emotional impact are different every time and absolutely personal.

With its rivets and handle details in stainless steel and Bakelite, in its choice of colour palette and design, the Cento Stile Sambonet has brought back the flavour of beautiful things from yesteryear in an element of style that is simple yet attractive. Yellow, green, red and grey are the hues chosen for the entire range of saucepans, casseroles and skillets – all offered in different diameters – and for the practical 'Spadella' wok.

If the design gives the collection a nostalgic feel, Sambonet's innovation and expertise – partly developed in the hotel and restaurant field – launch the entire collection into contemporary times. The next-generation "Quarzo Nero" coating combines the heat conductivity of its thermal diffusion base with professional cooking performance. This formula, using high mineral content

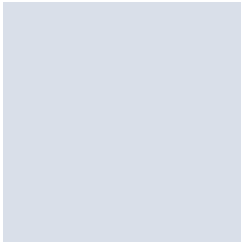

particles in the non-stick double layer makes the cooking surface incredibly smooth, scratch-proof and extremely resistant to high temperatures, the result of a technology wholly 'made in Italy'. The result is efficient and healthy cooking through the judicious use of necessary oils.

Entirely Italian, this series is completed by a selection of covers in tempered glass and is a perfect complement to the stainless steel collection Vintage 1965. A touch of colour to brighten every day with the style that takes you 'from Sambonet to kitchen'.
