Sambonet - Bar Selection

Bar Selection

Sambonet continues its pursuit of shapes and colours that complement lifestyles, living and home decor. The desire to appeal to quality food and wine enthusiasts lies behind the new Bar Selection collection, presented in the exclusive colours of PVD Cognac and Parfait Amour.

A practical wine bucket, a charming wine cooler, an insulated ice bucket, accompanied by spoon and tongs to serve guests. Three types of shaker complete the bar set: the traditional shaker or cobbler, the French or parisienne version and lastly, the Boston shaker, which stands out because of its glass tumbler at the top. Their smooth, streamlined shape assures the perfect mixing of ice when making cocktails.

Developed by Centro Stile Sambonet, the Cognac and Parfait Amour hues are inspired by the shades of their namesake liqueurs, underscoring the refinement of stainless steel and making the most of Sambonet's technological expertise, adding unique notions to the reflecting stainless steel surfaces of each item in the line.

Sphera expresses a contemporary concept where functionality coexists with stylistic reminiscences of the Space Age design from the second half of the 1960s. Already renowned for its soft, round and organic design - the collection was a multi-award winner in 2011 with the Red Dot Design and Good Design Award - it has now evolved to achieve a new, sophisticated visual effect. New light for a collection that is already a must in Sambonet.

PVD

PVD, which stands for Physical Vapour Deposition, gives the objects exceptional colours and shades. It consists of the deposition of metallic particles through vaporisation in a vacuum chamber. The coating is welded on an atomic level to the holloware's stainless steel, giving the material greater hardness and resistance to rubbing and corrosion, thereby preventing the formation of rust or oxides. This is the result of a technological research, along with the endless experience in producing stainless steel that is in Sambonet's DNA.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
