Sambonet Tailor Made

A new way of telling our stories, through the objects we encounter every day. Sambonet's production excellence, combining technological research and craftsmanship, is now reinvented in the new Tailor Made project. The brand's cutting-edge technology designed for anyone who wants to express their personality, even at the table! Enjoy a tailored, emotional and trendy experience. The focus on design, which is the hallmark of the high-quality production that Sambonet brings, is expressed in a made-to-measure fashion. It meets the needs of people who love to make exclusive gifts for themselves or for others.

Make your flatware unique in a few simple steps. A wide range of models to choose from: modern, classic or more design-oriented. Glossy, silver-plated, Vintage or Antique finishes, mixed with fascinating colours - thanks to futuristic PVD technology. Last but not least, the engraving of a logo that adds a touch of style, a monogram that represents a stroke of personality or a date that marks an unforgettable moment in time. With its Tailor Made project, Sambonet not only confirms its leadership in the world of flatware, but it also opens a new pathway of progress in the Art of the Table.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter

built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
