**GARDEN FLAVOUR: Brilliance mugs**

The new Rosenthal Brilliance mugs in floral designs bring the colourful splendour of a whole meadow of flowers to the coffee table at home. The nature-inspired designs made from the finest bone china will put you in a springtime mood. The cups with their graceful flower decor bring a cheerful

splash of colour and a touch of nature to our table.

#### FANCY STRIPES: Node Stripes

Intricate shape, flowing lines, soft porcelain - the ingredients of the Node vase are simple, the result is beguiling. Also available in a miniature version

#### CRYSTALLY CLEAR: Swarovski Signum vases

In these vases, candy colours meet finely crafted patterns in thin golden lines that trace the octagon on porcelain that is typical of Swarovski.

#### MINI ME: Mini Vases+

Whether a single cherry branch or a small flower arrangement: Rosenthal's Mini Vases+ turn blossoms, buds and branches into real eye-catchers.

#### PURE HARMONY: Balance Vases

The new Balance Vases harmonise colour, shape and surface. Watercolour-like shades running into each other provide that special freshness kick.

#### SPRING FEELINGS: Hutschenreuther Collector's Edition

Once again, the traditional brand surprises with cheerful animal and nature motifs, realised in delicate colours and filigree decorations. The flower bell is decorated with delicate flowers and butterflies in pastel colours.

#### FLOWERY SETTING: Sambonet Bloom

A table that feels like spring! The "Bloom" cutlery from Sambonet elegantly rounds off any table setting and creates a minimalist chic look. With this Sambonet cutlery, every decoration will blossom.

### **From Porcelain Pioneer to International Design Company**

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a

century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
