Thomas - Cliff "White Beach"

Like an island from a bird's eye view, appear the organic shapes of the new collection Thomas Cliff. Spanish designer Gemma Bernal captures in its forms the warm Mediterranean light, the sandy beaches and the connection between the island and the surrounding sea.

The new "White Beach" glaze emphasises the harmonious curves of the island landscape. In Cliff, every item is two-coloured: light cream-beige as the basic colour is combined with soft white. In this delicate mix of colours, plates, cups and bowls in various sizes rise above the table surface like single small cliff coasts, and create a harmonious, timeless look.

Extensive, hilly outlines of a coastal landscape are also reflected in the soft and irregular contours of Thomas Cliff collection and bring tranquility and relaxed naturalness to the table.
