My Mini Sunny Day

Children love to mimic what adults do. When their parents have something, the little ones want one for themselves as well. Now, with the new, five-piece My Mini Sunny Day children's collection in neon yellow, light pink, apple green and water blue colours, that's not a problem. That is because selected items from the popular Sunny Day tableware collection for adults, which is one of the best-selling collections in Germany, is now available in miniature for children. The items include a large plate and a small plate, a mug, a two-piece cup and a practical shallow cereal bowl. All items are lightweight and designed for little hands, and as usual, they are dishwasher-safe and durable. They are available individually or as a three-piece gift set in a presentation box, including an added bonus.

From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental

and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
