## **Thomas - Sunny Day Nordic Blue**

## **Sunny Day Nordic Blue**

The new Nordic blue colour for the popular Sunny Day collection by Thomas has a Scandinavian-like modern and casual feel, but is trendy and full of appeal. The sumptuous shade of blue contains grey and purple hues and is reminiscent of a sunny day by the seaside just before the sun finally sets over the ocean. The trendy colour can also be combined in equally relaxed fashion – as a harmonious accompaniment to the new Camo design or to give a vibrant, fresh touch to the colours neon yellow and greige. As usual, the design is dishwasher-safe, impact-resistant, scratch-proof and suitable for microwave use. The trendy colour is also available for the new Cool Ice ice-cream bowl range. In total, the Sunny Day collection comprises 19 colours and two designs.

## From Porcelain Pioneer to International Design Company

Founded in 1879, Rosenthal reflects on its longstanding company history. The story of Rosenthal is the story of a father and son – founder Philipp Rosenthal Senior and the visionary entrepreneur Philip Rosenthal Junior. The former laid the foundation for modern porcelain production, while the latter built Rosenthal into a renowned international brand. His credo: a passion for everyday luxury and a heartfelt commitment to design. For well over a century, established designers, artists, and trendy newcomers have crafted elegant, high-quality tableware collections and exclusive pieces that enhance living spaces. Rosenthal's clientele includes not only households worldwide but also 800 international restaurants and hotels. Rosenthal is already on the path of green transformation and established the "Corporate Sustainability" unit in 2022. The company actively addresses sustainability in environmental

and energy management and social responsibility. The Rosenthal portfolio features the Rosenthal, Hutschenreuther, and Thomas brands, along with collaborations such as Rosenthal meets Versace and Swarovski x Rosenthal. Since July 2009, Rosenthal has been part of the Italian Arcturus Group.
