## A Christmas Delight of a Gift: Rosenthal gift ideas that create memories

### **Rosenthal - Studio-line vases in mini size**

After the success of the anniversary collection "Sixty&Twelve", the most popular vases are available in miniature format this year. Twelve shapes in six different colours will make the hearts of design enthusiasts beat faster. Matt porcelain, silky touch - the minis lie well in the hand and come in strong colours as soloists or ensembles in any interior.

### **Rosenthal - Cappello**

With the lovely collection "Cappello" Rosenthal starts a charm offensive at the laid table. The two-piece cup initially disguises itself as bowler hat in Charlie-Chaplin style and then turns out to be a cup with a saucer, which not only looks good thanks to the combination of matt and shiny porcelain but which is also a pleasure to hold in your hand. In addition to the classic version made of black porcelain, "Cappello" is also available in puristic white. A black and white gift packaging brings the winking charm of the hat cup designed by Damian O'Sullivan to the point.

### **Rosenthal - Paper bag vases**

With the paperbag vase, Tapio Wirkkala took aim at pop culture with a wink in 1977 and created one of the Rosenthal classics par excellence. The Finnish designer was one of the most influential designers at Rosenthal from the very beginning. For the studio line's 60th anniversary year, the iconic vases are now being launched in rose-coloured cameo, light grey lava, orange-red coral, and pastel green mint made of solid-coloured porcelain. The objects look best as an arrangement of different colours and sizes of 10, 14 and 18

cm.

## **Rosenthal Heritage Collection - Turandot Scented candles**

Inspired by Puccini's famous opera, the pattern "Turandot" pays homage to eighteenth-century chinoiserie - a source of inspiration also for Rosenthal's very first projects in the 19th century. Turandot is very enigmatic and full of beauty, building a bridge between East and West, past and present. The Italian designer Gianni Cinti transformed the image of a Chinese lake with bamboo, peony petals, dragonflies and ginkgo leaves with calligraphic precision on fine porcelain.

## **Rosenthal - Pets**

Cute little animals made of fine Rosenthal porcelain in the delicate colours Brown, Stone, Rosé and White is a pure joy for every day. Pig Alley, dog Alfonso, cat Smokey, mouse Elvis and the owl Snow white look like knitted by hand and are available in three different sizes. Each figure is gift boxed and a perfect present for beloved people.

## **Rosenthal - Christmas Angels**

The beloved Rosenthal angels are now available in three new motifs and three sizes. Made of the finest bisque porcelain, the new angels with a rabbit, with a lantern and as a sweet dreaming angel will make collectors' hearts beat faster. All the figurines have the Rosenthal bottom stamp, which guarantees goodness and quality. A high-quality gift box rounds off the concept.

---

## **From Porcelain Pioneer to an International Design Company**

Rosenthal products stand out for their design, function, quality and constant innovative spirit. Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dining collections, sophisticated interiors and exclusive gifts. With exceptional craftsmanship, Rosenthal has been producing porcelain "Made in Germany" for more than 140 years. At the same time, the two porcelain factories in Selb and Speichersdorf are among the most modern production

facilities in the porcelain industry worldwide and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made.
