Anna, Gianna and Silvana: New glass vases at Rosenthal

Sonorous names for opulent and elegant vases! Anna, Gianna and Silvana are the names of the new glass vases Rosenthal just recently launched.

Inspired by the charisma of great Italian divas such as Maria Callas or Sophia Loren, the new glass vases from Rosenthal combine elegance with classic vase design.

For colourful bouquets, long-stemmed cut flowers or individual branches: The

flower vases made from coloured opal glass are available in four shades grey, green, aqua and white and skilfully showcase flowers. Mouth-blown, the bulbous vases with different sized necks are coloured white on the inside and coloured on the outside.

The Anna model is 34 cm high, Silvana 33 cm and Gianna 36 cm.

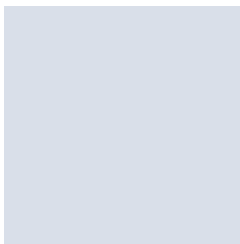

The glass vases are available at selected retailers and at [rosenthal.de](https://www.rosenthal.de).

Silvana costs €185 retail price (RRP), Anna and Gianna €195 retail price (RRP).

From Porcelain Pioneer to an International Design Company

Rosenthal products stand out for their design, function, quality and ongoing innovative spirit. Established figures from the worlds of architecture, design and art, but also the smart newcomers and talents design avant-garde dining collections, sophisticated interiors and exclusive gifts. With exceptional craftsmanship, Rosenthal has been creating design "Made in Germany" for 145 years and produces in the two porcelain factories in Selb and Speichersdorf.
