## As delicate as spring itself: the new Spring and Easter collections from Hutschenreuther

### Hutschenreuther Collector's Editions Easter 2020

This year's Hutschenreuther collectors' favourites romp about in the midst of colourful flowers and juicy grasses: sweet kittens discover the just blossoming treasures of spring in the Easter collection 2020 consisting of porcelain egg and heart as well as three midi eggs. Finely drawn, the four-legged friends roam the colourful garden and enjoy the first warm rays of sunshine. Curiously, they watch the fluttering butterflies that also adorn the new mini eggs and mini hearts. The popular egg tin, as well as three hand-painted cat figures made of high-quality porcelain, inspire with lovingly worked out details. A music box, limited to 999 pieces worldwide, with the melody of Tchaikovsky's "Blumenwalzer" completes the collection.

### Hutschenreuther Nora "Spring Vibes"

Back to nature - with the new "Spring Vibes" decor, the set table resembles a walk across a freshly blossoming spring meadow. Detailed illustrations, which are individually arranged on each article, stage the floral diversity. Bellflowers mingle harmoniously with purple clover and small colourful butterflies enjoy the wide range of colourful flowers. Regardless of the

season, the delicate decoration on classic Bone China cuts a fine figure all year round.

Rosenthal may have one of the longest traditions of Germany's companies, but is also one of the most modern. Just as we did when we were originally founded 140 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset "made in Germany", never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the "Thomas am Kulm" porcelain factory in Speichersdorf, which offer some of the porcelain industry's most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward-looking investments that have been made.

New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
