Cheers to the New Year: Bar culture at its finest

Rosenthal meets Versace - Versace Bar

Rosenthal meets Versace is raising bar culture to a new level. The Versace Bar Collection made from silver and high-quality stainless steel is elaborately silver-plated by hand and includes wine, champagne and ice coolers, cocktail shakers and strainers as well as bottle coasters, trays and dishes.

A further highlight is Versace's legendary Medusa, which adorns every item and is gilded by hand. The new Bar Collection from Rosenthal meets Versace is the perfect mix of seduction and functionality – for homes, bars, restaurants and exclusive clubs.

Sambonet Bar Collection

Sambonet continues its pursuit of shapes and colours that complement lifestyles, living and home decor. The desire to appeal to quality food and wine enthusiasts lies behind the new Bar Selection collection, presented in the exclusive colours of PVD Cognac and Parfait Amour. A practical wine bucket, a charming wine cooler, an insulated ice bucket, accompanied by spoon and tongs to serve guests. Three types of shaker complete the bar set: the traditional shaker or cobbler, the French or parisienne version and lastly, the Boston shaker, which stands out because of its glass tumbler at the top. Their smooth, streamlined shape assures the perfect mixing of ice when making cocktails.

Developed by Centro Stile Sambonet, the Cognac and Parfait Amour hues are inspired by the shades of their namesake liqueurs, underscoring the refinement of stainless steel and making the most of Sambonet's technological expertise, adding unique notions to the reflecting stainless steel surfaces of each item in the line.

Rosenthal may have one of the longest traditions of Germany's companies, but is also one of the most modern. Just as we did when we were originally founded over 140 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset "made in Germany", never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the "Thomas am Kulm" porcelain factory in Speichersdorf, which offer some of the porcelain industry's most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward-looking investments that have been made.

New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
