Christmas Carols: Cheerful festive mood with Hutschenreuther

Christmas Songs Collection - „Lasst uns froh und munter sein“

At Christmas, songs fill the room and a cheerful mood prevails at the table. With the limited collection 2021, Hutschenreuther is expanding its songbook with the Christmas song "Lasst uns froh und munter sein" (en: Let's be merry and cheerful), which jingles from the hand-painted music boxes in two different sizes.

The cheerful and colourful décor also brings Christmas spirit to cups and plates, mugs and biscuit plates for young and old.

In addition to the popular star-shaped trays, bells and balls made of porcelain, two new mini tree ornament sets in the 2021 Christmas collection also ensure a happy St. Nicholas Eve.

Collector's items 2021 - "Christmas gifts"

As a festive addition to Christmas and at the same time as a special highlight, Hutschenreuther offers a music box with the Christmas song "We wish you a merry Christmas" in three sizes in a limited edition. Designed with great attention to detail and delicacy by artist Renáta Fučíková, Hutschenreuther thereby brings cheerful Christmas spirit into every home.

Rosenthal may have one of the longest traditions of Germany's companies, but is also one of the most modern. Just as we did when we were originally founded over 140 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset "made in

Germany”, never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the “Thomas am Kulm” porcelain factory in Speichersdorf, which offer some of the porcelain industry’s most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made.

New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
