Entchanting Lightness: The new Le Jardin de Versace Dining Collection

Rosenthal meets Versace expands Le Jardin de Versace collection with new items for 2023. An enchanting décor depicts colourful flowers, cheerful butterflies in different variations and pastel colours. Shades of turquoise, red and gold adorn the coup plates, as well as small teapot and cups, in addition to bowls and dishes in various sizes – each reminiscent of French gardens and convey a spring-like lightness to the décor design of Le Jardin de Versace.

Decorative details are adorned with gold-tone ornaments, the grandiose Le Jardin de Versace décor creates imaginary places to explore. This colourful

collection opens the way to the world of Versace.

From Porcelain Pioneer to an International Design Company

Rosenthal products stand out for their design, function, quality and ongoing innovative spirit. Established figures from the worlds of architecture, design and art, but also the smart newcomers and talents design avant-garde dining collections, sophisticated interiors and exclusive gifts. With exceptional craftsmanship, Rosenthal has been producing porcelain "Made in Germany" for more than 140 years. At the same time, the two porcelain factories in Selb and Speichersdorf are among the most modern production facilities in the porcelain industry worldwide and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made.
