## Gentlemen's choice: gift ideas for men by Rosenthal meets Versace

Due to the delicacy of the material, porcelain is often declared to only serve female interests. Rosenthal meets Versace offers the perfect counter-examples: finest porcelain gifts that transport prestige and hit the spirit of a sophisticated male lifestyle.

### **Rosenthal meets Versace Medusa Rhapsody Ashtrays**

A rhapsody of color and detail – the Medusa Rhapsody collection of fine porcelain adds that oh-so-Versace touch to any dining room. One with the ready-to-wear collection, the dinnerware and clothing draw inspiration from each other – resulting in a remarkably modern, yet intrinsically Versace collection.

An addition of the Medusa Haze collection comes in form of a coaster - octagonal, fumed grey home décor embellished by a three-dimensional Medusa.

### **Rosenthal meets Versace Le Regne Animal**

The animal kingdom reigns over the new Rosenthal meets Versace collection and is adorned by its untamed royalty: the gorilla, the eagle, the shark and the lion. The gift items combine the wildness and creative power of nature with iconic baroque bands and a Medusa medallion, thus blending together the mythological and natural worlds of Versace.

Rosenthal may have one of the longest traditions of Germany's companies,

but is also one of the most modern. Just as we did when we were originally founded 140 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset “made in Germany”, never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the “Thomas am Kulm” porcelain factory in Speichersdorf, which offer some of the porcelain industry’s most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made.

New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
