Gifts of Joy: Elegant Christmas gift ideas by Rosenthal

Rosenthal - Far, far, closer

With "Far, Far, Closer" Morgann Lechat captures this intimate journey into a world unknown and yet so close to us in emotional illustrations. The sensitive and at the same time insistent motifs are space-spanning, they do not restrict themselves by formal boundaries, but cross them and reconnect beyond them - and tell their stories of the need for touch and closeness, to ourselves and others.

Rosenthal - Zodiac Plate Year of the Tiger

Energetic, proud and determined: as the third animal of the Chinese horoscope, the tiger is a strong-willed free spirit. For the Chinese New Year 2022, the Rosenthal Zodiac collection picks up on this dynamic star sign in a powerful design by the iShoni design studio. The title "Courage and Renaissance" on the back of the collector's plate stands for the courage of new beginnings and the strength of a fresh start.

Rosenthal - Vases

You can never have enough vases. When these vases feature outstanding beautiful shapes, there are virtually no limits to a person's passion for collecting them. So it's good to have the Rosenthal's most popular vases also in miniature. "Phi City", "Squall" and "La Chute", "Skum", "Falda" and "Fast" are the names of these beautiful items. Hop, a new design object by Sebastian Herkner, is also available as a vase in two different sizes and as a bowl. The famous bag vase by Tapio Wirkkala is presented in new pastel colour shades.

Rosenthal - Cappello

With the sympathetic collection "Cappello" Rosenthal brings a charm offensive at the laid table. The two-piece cup initially disguises itself as bowler hat in Charlie-Chaplin style and then turns out to be a cup with a

saucer, which not only looks good thanks to the combination of matt and shiny porcelain but which is also a pleasure to hold in your hand.

Rosenthal - Pets

Dog Alfonso, cat Smokey, monkey Gordon, pig alley, mouse Elvis and the owl Snow white in the delicate colours Brown, Stone, Rosé and White look like knitted by hand are available in three different sizes. Each figure is gift boxed and a perfect present for beloved people.

Rosenthal - Salt Oyster

Pape's salt oyster, a gourmet gift idea, combines the fine cuisine of Sylt with elegant Rosenthal porcelain. The oyster features a delicate relief structure and a shimmering mother-of-pearl glaze on the inside, making it an excellent choice not only as a vessel for Sylt sea salt from Alexandro Pape's salt works, but also as an unorthodox table accessory.

Rosenthal may have one of the longest traditions of Germany's companies, but is also one of the most modern. Just as we did when we were originally founded over 140 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset "made in Germany", never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the "Thomas am Kulm" porcelain factory in Speichersdorf, which offer some of the porcelain industry's most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made.

New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
