Sambonet Bar Selection

The desire to appeal to quality food and wine enthusiasts lies behind the new Bar Selection collection, presented in the exclusive colours of PVD Cognac and Parfait Amour.

A practical wine bucket, a charming wine cooler, an insulated ice bucket, accompanied by spoon and tongs to serve guests. Three types of shaker complete the bar set: the traditional shaker or cobbler, the French or parisienne version and lastly, the Boston shaker, which stands out because of

its glass tumbler at the top. Their smooth, streamlined shape assures the perfect mixing of ice when making cocktails.

Sambonet Drinking Straws

The best solution for zero waste lovers: The charming Sambonet straws are perfect for every happy hour, cocktails, long drinks and fruit juices. Made of high quality stainless steel, they are reusable and environmentally friendly. Three billion plastic straws are consumed per day worldwide. On average, they are only used for about five minutes. Compared to that: it takes 500 years for the material of the resulting plastic waste, which amounts to around 900 tons, to decompose. A huge burden on our earth and oceans.

The new Sambonet drinking straws offer the perfect environmentally friendly alternative, which also beautifies every drink.
