Happy Springtime: Cheerful Easter with Hutschenreuther

Hutschenreuther Collector's items – Easter 2022

Spring wakes nature from its winter sleep and decorates trees with fresh foliage. In its new collector's edition Easter 2022, Hutschenreuther presents a joyful spring awakening on exquisite white porcelain. Butterflies flutter across the freshly blossomed meadow and on the new porcelain egg a cheerful little lamb plays tag with the mild spring wind. A fluffy bunny has hidden himself among fragrant colourful flowers on the porcelain heart.

On the new mini-eggs and -hearts, cheerful flowers raise their blossoms to the warm rays of sun. Decorated with ribbon bows, dainty violets, coneflowers and snowdrops as well as bright grape hyacinths herald the beginning of spring.

A new addition to Hutschenreuther collectors' edition is the elegant bell in a flower shape with the lovely décor "Spring Morning". Graceful spring flowers and fresh lush greenery awake to life in the warm sunlight and high quality gold ornaments outline this poetic scenery.

Hutschenreuther - Bunny Vases & Bunny Pendants

The new charming porcelain vases in the shape of a bunny are available in two sizes and wonderfully fit with the first flowers of spring.

Two new small Hutschenreuther bunny pendants made of the finest white porcelain captivate with their loveliness and are a perfect decoration for the Easter bouquet.

Hutschenreuther - Flower Minis

Slim, bulbous, cup-shaped - the new lovely Hutschenreuther Flower Minis made of fine Bone China are an absolute eye-catcher. Their silhouettes imitate the classic Hutschenreuther vase shapes and whether on their own or as a group, these six graceful tinies are the perfect match to any interior.

The all-rounders in miniature reach a height of only seven to eleven centimetres and show off small bouquets just as skillfully as single flowers. The elegant mini vases can be easily combined with all Hutschenreuther Bone China collections.

Hutschenreuther - Nora "Spring Vibes"

Back to nature - with the new "Spring Vibes" decor, the set table resembles a walk across a freshly blossoming spring meadow., detailed illustrations, which are individually arranged on each article, stage the floral diversity. Bellflowers mingle harmoniously with purple clover and small colourful butterflies enjoy the wide range of colourful flowers. Regardless of the season, the delicate decoration on classic Bone China cuts a fine figure all year round.

Rosenthal may have one of the longest traditions of Germany's companies, but is also one of the most modern. Just as we did when we were originally founded over 140 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset "made in Germany", never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the "Thomas am Kulm" porcelain factory in Speichersdorf, which offer some of the porcelain industry's most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made.

New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
