I care for you: gifts despite social distancing

They often accompany us for a lifetime, are soul comforters, best buddies and sometimes even family substitutes, which is why we find social distancing from our friends so difficult. With our gifts you can surprise your favourite ones and shorten the time until the reunion. In return there will be an even more hearty hug!

Rosenthal - Cappello

With the sympathetic collection "Cappello" (Italian: hat) Rosenthal starts a charm offensive at the laid table. The two-piece cup initially disguises itself as bowler hat in Charlie-Chaplin style and then turns out to be a cup with a saucer, which not only looks good thanks to the combination of matt and shiny porcelain, but which is also a pleasure to hold in your hand.

Rosenthal - Cilla Marea

Inspired by the rugged beauty of the sea and those who brave its waves, Italian tattoo artist Pietro Sedda and his label The Saint Mariner created a series of stunning designs for Rosenthal in watercolour and ink. The combination of his exceptional, light brush strokes and archaic figures creates a unique aesthetic, merging dream with reality, the figurative with the floral and the graphic with the metaphorical.

Rosenthal - Salt Oyster

Pape's salt oyster, a gourmet gift idea, combines the fine cuisine of Sylt with elegant Rosenthal porcelain. The oyster features a delicate relief structure and a shimmering mother-of-pearl glaze on the inside, making it an excellent choice not only as a vessel for Sylt sea salt from Alexandro Pape's salt works, but also as an unorthodox table accessory.

Rosenthal meets Versace - Versace Alphabet

The Versace Alphabet line takes a heritage print from “South Beach Stories”, the famous photographic book by the Versace family, and reimagines the lettering in seasonal colour palettes. The new decorative porcelain trays affirm the brand's belief in individuality, allowing for mixing and matching of letters to spell an infinite number of words.

Sambonet - Mix & Play Straws

Charming and precious, the new Sambonet Mix&Play Straws make every moment trendy and special. Sambonet reinvents the “classic” disposable straw transforming it into a real tableware for sharing refined happy hours, tasting spectacular cocktails and long drinks, adding style to fresh smoothies.

Rosenthal may have one of the longest traditions of Germany's companies, but is also one of the most modern. Just as we did when we were originally founded 140 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset “made in Germany”, never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also

the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the “Thomas am Kulm” porcelain factory in Speichersdorf, which offer some of the porcelain industry’s most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made.

New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
