## Iconic Passion: Rosenthal meets Versace introduces the new Medusa Red Modern Dining Edition

Rosenthal meets Versace expands its world and presents the timeless Medusa Red décor in a new, modern edition that marks the 30th anniversary of the Versace and Rosenthal collaboration. Bright red, gold and black colourways flow in this classical décor and highlight its primary focus – a gold-tone Medusa head.

Surrounded by filigree Baroque details, the iconic symbol - placed centrally on the porcelain items - now adorns plates and bowls in various sizes, a small

teapot and cups, giving the line an elegant finish. Decorative motifs and ornaments on the coup plates and bowls underline the expressiveness of this collection in modern dining culture.

## **From Porcelain Pioneer to an International Design Company**

Rosenthal products stand out for their design, function, quality and ongoing innovative spirit. Established figures from the worlds of architecture, design and art, but also the smart newcomers and talents design avant-garde dining collections, sophisticated interiors and exclusive gifts. With exceptional craftsmanship, Rosenthal has been producing porcelain "Made in Germany" for more than 140 years. At the same time, the two porcelain factories in Selb and Speichersdorf are among the most modern production facilities in the porcelain industry worldwide and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made.
