## In the Mood for Glamour: Valentine's Day with Rosenthal meets Versace

Full of splendor and luxury, but at the same time tender and romantic in glamorous pink is Valentine's Day with Rosenthal meets Versace. Stylish porcelain bowls, opulent wall plates and delicate glass vases step into a dance of love with Byzantine ornaments and celebrate love with pomp and glory.

### **Versace alphabet**

Versace Alphabet takes extracts from "South Beach Stories", the famous photo book by Gianni and Donatella Versace, and translates the letters into trendy seasonal colours. The different porcelain bowls emphasise the individual character of the collection and express a very personal message of love on Valentine's Day.

### **Les Rêves Byzantines**

In "Les Rêves Byzantins" Rosenthal meets Versace presents a composition by Donatella Versace which is equally reminiscent of the splendour of ancient Byzantine ornamentation and the legendary world of Thousand and One Nights. "Les Rêves Byzantins" is dedicated to the rediscovery of an oriental and exotic atmosphere and combines the opulent baroque motifs of the fashion house with the iconography of medieval art. The vivid pink emphasises the feminine character and the positive aura of the service, which is further enhanced by the rich abundance of wickerwork, crescents and golden graphics.

### **Medusa Colours**

The classics by Rosenthal meets Versace, the Medusa Colours series, radiates love and affection in smooth rosé as a plate and service plate not only on 14th of February. With an iconic Medusa pattern around which baroque

borders are entwined, Medusa Rosé praises the attraction of lovers.

### **Medusa Lumière Clear and Haze**

In the Clear and Haze colour versions Medusa Lumière champagne flutes, each available either separately or as a 2-piece gift set, provide a stylish toast on Valentine's Day. The Medusa head in the stalk is a characteristic feature of the high-quality glass collection. The precious crystal glasses match each other as well as all available services of the brand Rosenthal meets Versace.

### **Medusa d'Or and Arabesque Crystal**

Exquisite Medusa d'Or champagne flutes decorated with the golden meandering band complement the luxurious Rosenthal meets Versace romantic evening and give extraordinary moments of happiness. Exquisite vases in three different sizes and delicate champagne glasses with the sandblasted Arabesque décor celebrate the luxurious togetherness.

Rosenthal may have one of the longest traditions of Germany's companies, but is also one of the most modern. Just as we did when we were originally founded over 140 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset "made in Germany", never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the "Thomas am Kulm" porcelain factory in Speichersdorf, which offer some of the porcelain industry's most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward-looking investments that have been made.

New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
