Joyful Spring: cheerful Easter mood with Hutschenreuther

Hutschenreuther Novelties 2021 – Spring Collector's items – Easter 2021

Chickens with their chicks exude a true family idyll in the Hutschenreuther collection Easter 2021 on porcelain eggs and hearts. In the lush farmer's garden, a stately rooster and a careful mother hen with her fluffy chicks are happily cavorting around - this year's collectors' favourites by Hutschenreuther. Framed by colourful wild roses and butterflies, they enjoy the warm sunshine. Spring brings flowers to the whole world, and delicate wild roses in rosé, pink and yellow adorn the "Spring meadow" and "Spring greetings" décor. They bloom on much-loved mini eggs and hearts and spread a wonderful spring mood throughout the house.

Gift sets "Chicken"

Funny chickens in four different colours romp around between colourful meadow flowers on the high-quality bone china gift sets from Hutschenreuther. Traditionally known as the herald of light and symbol of vitality, the chicken proclaims the beginning of spring and with it the new beginning of life. Each set, consisting of a mug and breakfast plate, has its own decoration and matching gift packaging. As a special extra, Hutschenreuther offers a fine heart pendant with a floral motif. Whether as an Easter present or a lucky charm, the cheerful "Chicken" gift sets will awaken spring fever in family and friends.

My Mug Collection 2021

The successful Hutschenreuther "My Mug" collection will be extended with further trendy motifs in 2021. Lively birds and sweet flowers on the "Birdies" décor, colourful heart motifs on "Friends" and lively bee dances on the "Bees" series decorate high-quality bone china mugs. As spring temperatures rise, so does the mood - witty sayings brighten up the day in the morning. Just like the colourful "My Mug" mugs, happiness has many facets: taking the time to have a coffee with friends or listening to the birdsong - simply bee happy!

Rosenthal may have one of the longest traditions of Germany's companies, but is also one of the most modern. Just as we did when we were originally founded over 140 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset "made in Germany", never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the "Thomas am Kulm" porcelain factory in Speichersdorf, which offer some of the porcelain industry's most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made.

New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
