Love without limits: romantic gift ideas for Valentine's Day

Rosenthal celebrates the day of lovers with much more than just a simple bouquet of flowers. These porcelain gifts create a romantic atmosphere nearly by themselves. Tailor-made Sambonet cutlery with personalised engravings are gift ideas that make hearts beat faster.

Rosenthal Peynet collection / design: Raymond Peynet

Raymond Peynet is known for his delicate and humorous illustrations. Starting in 1955, he created a series of illustrations for Rosenthal featuring a pair of lovers shown over the twelve months of the year, which is peppered with charming details. A longing for unbounded, heartfelt love is represented in numerous ways in the new versions of the original design – including on mugs of the month featuring the base colours of raspberry and petrol and on a plate and mug collection made of white porcelain.

Rosenthal Cilla Marea/design: Pietro Sedda (The Saint Mariner)

Inspired by the rugged beauty of the sea and those who brave its waves, Italian tattoo artist Pietro Sedda and his label The Saint Mariner created a series of stunning designs for Rosenthal in watercolour and ink. The combination of his exceptional, light brush strokes and archaic figures creates a unique aesthetic, merging dream with reality, the figurative with the floral and the graphic with the metaphorical.
