Merry Christmas with Hutschenreuther

Gift collection „Merry Christmas“ by Hutschenreuther

Merry Christmas! That is also the name of the new Christmas collection from Hutschenreuther, with finely detailed decorations, eye-catching greetings and three exquisite and traditional colour schemes.

Nordic Red, for example, features accented lettering, stars, sledges and reindeer, beautifully positioned on the cream-coloured material of the collection. For a more refined look, the Shiny Gold colour scheme presents angelic figures and a black band around the circumference, with gold stars and lettering. Charming Grey joins the new Christmas collection with typical Scandinavian reserve. In soft greige (a mixture of grey and beige) snowflakes and crystals float over cups, plates, bowls and Advent candlesticks. A stylised stag and branches are also present, along with striking lettering. All three colour schemes can be combined in any way you like, and you can complete the collections with the appropriate napkins, candelabra and baubles. A selected range of undecorated, cream-coloured pieces such as animal figurines, two new house façades with tealight inserts and various tree ornaments offer more ideas for decorations.

Rosenthal may have one of the longest traditions of Germany's companies, but is also one of the most modern. Just as we did when we were originally founded over 135 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset "made in Germany", never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern,

elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the “Thomas am Kulm” porcelain factory in Speichersdorf, which offer some of the porcelain industry’s most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made. New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
