Mix and Mesh: Modern dining culture with Rosenthal and Sambonet

Variety is the new buzzword, not only in today's kitchens of the world, but also when it comes to our lifestyle concept. Rosenthal has dedicated itself entirely to this motto and brings it to our table with „Mesh“, rich in detail and diversity. With numerous possible combinations, the collection invites to a culinary journey around the world, stylishly underlined by the purist designs of the Sambonet cutlery.

Versatile and authentic: "Mesh Aqua" and "Mesh Cream" by Rosenthal

If there was ever a word for increase in variety, it would probably be "Mesh". This is because Rosenthal has designed another harmonious pattern for the

uncomplicated series featuring a delicate mesh relief and endless combination options with round, angular, oval and square elements and trendy colour glazes in aqua and cream. Both the strict geometry and the relaxed linear structure created by the crossovers stand in perfect harmony with the glazed pieces of the Mesh collection and create a striking contrast of white and coloured surfaces. The series thus offer even more combination options – whether for a picnic, a relaxed family brunch or haute cuisine.

Powerful and profound: "Mesh Mountain" by Rosenthal

Inspired by the expressive grey of the mountains, Rosenthal continues to expand the colour palette of the bestseller collection "Mesh". A powerful and timeless grey nuance creates a cosy, modern atmosphere - whether at a business lunch, a casual breakfast with the family or in haute cuisine. Rosenthal applies all colour variations to the porcelain with a special high-temperature glaze at 1,400 degrees. Particularly resistant and colour-intensive, the glazes emphasize the individual handcrafted character of the shapes and make the relief of mesh appear more intense. A high-quality drinking glass completes the collection.

Enchanting minimal chic: "Velvet" by Sambonet

Today essentiality is a key concept for a trendy table setting. Sambonet "Velvet" cutlery embraces the minimal chic philosophy, where the harmony of shapes meets a refined yet simple aesthetics, ideal for casual and contemporary table settings. Conviviality is expressed in those stylish details that make the table warm and welcoming, just like a soft, enveloping velvet dress! Following this approach, Velvet cutlery is designed to match any style with harmony and discretion, always adding a neutral touch of good taste and personality. White porcelain, pastel shades or delicate floral patterns: combinations are endless.

Timelessly modern: "Taste" by Sambonet

Style is now also a question of taste! "Taste", the undisputed bestseller by Sambonet comes in a new selection of captivating colours and finishes so everyone can express themselves and showcase their personality on the table too. Its twisted teardrop design, intended by the Sambonet Centro Stile for friendly use on a daily basis, is glamorously reinterpreted with the stylish nuances of PVD Black, Gold and Copper.

Rosenthal products stand out for their design, function, quality and ongoing innovative spirit. Established figures from the worlds of architecture, design and art, but also the smart newcomers and talents design avant-garde dining collections, sophisticated interiors and exclusive gifts. With exceptional craftsmanship, Rosenthal has been producing porcelain "Made in Germany" for more than 140 years. At the same time, the two porcelain factories in Selb and Speichersdorf are among the most modern production facilities in the porcelain industry worldwide and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made.
