

A relaxed blue with shades of grey and purple: Nordic blue

Nordic blue is the new Thomas Sunny Day trend color

Sunny Day Nordic blue

The new Nordic blue colour for the popular Sunny Day collection by Thomas has a Scandinavian-like modern and casual feel, but is trendy and full of appeal. The sumptuous shade of blue contains grey and purple hues and is reminiscent of a sunny day by the seaside just before the sun finally sets over the ocean. The trendy colour can also be combined in equally relaxed fashion – as a harmonious accompaniment to the new Camo design or to give a vibrant, fresh touch to the colours neon yellow and greige. As usual, the design is dishwasher-safe, impact-resistant, scratch-proof and suitable for microwave use. The trendy colour is also available for the new Cool Ice ice-cream bowl range. In total, the Sunny Day collection comprises 19 colours and two designs.
