## Summer Nights: Stylish decorating ideas for an extraordinary summer

### **Phi Lights/Design: Cairn Young**

Freeze, Spindrift, City, Manhattan, Snow - Rosenthal has translated five avant-garde structures by the English designer Cairn Young into the extraordinary PHI Lights collection. Complex geometric patterns cover the white porcelain bodies and transform the lamps into sculptural objects with a surprising 3D effect.

### **Rosenthal Heritage Collection - Turandot/Design: Gianni Cinti**

Inspired by Puccini's famous opera, the pattern "Turandot" pays homage to eighteenth-century chinoiserie. Turandot is very enigmatic and full of beauty, building a bridge between East and West, past and present. The source of inspiration for the poetic porcelain paintings lies on the shore of the West Lake in Hangzhou, China, which is shown in the interweaving of western and eastern elements.

### **Rosenthal meets Versace - Medusa Grande Collection**

Crafted from the finest porcelain, the candles are filled with high-quality natural organic soy wax with an intense fresh and flowery scent. With a burning time of over 40 hours, the scented candles set a luxurious mood in any interior. Available in White, Gold, Silver and in the new colour Fuchsia.

### **Rosenthal meets Versace - Versace Bar**

BarRosenthal meets Versace is raising bar culture to a new level. The Versace Bar Collection made from high-quality stainless steel is elaborately silver-plated by hand and includes wine, champagne and ice coolers, cocktail shakers and strainers as well as bottle coasters, trays and dishes.

### **Rosenthal meets Versace - Scented Candles**
