Summer Vibes: A relaxed summer with new Thomas collections

Thomas Sunny Day - Soft Yellow

Light and easy-going, yet expressive and energetic - the new colour Soft Yellow is a committed team player in the colourful Sunny Day collection. The delicate vanilla yellow brings an extra portion of good mood to the table in combination with Avocado Green or Seaside Green. The soft shade looks at the same time radiant with the bright Sunny Day colours New Red, Orange or Fuchsia. The stylish Soft Yellow is captivatingly relaxed and makes the play with colours in the popular Sunny Day collection even more exciting.

Thomas Cliff - White Beach

Like an island from a bird's eye view, appear the organic shapes of the new collection Thomas Cliff. Spanish designer Gemma Bernal captures in its forms the warm Mediterranean light, the sandy beaches and the connection between the island and the surrounding sea.

The new "White Beach" glaze emphasises the harmonious curves of the island landscape. In Cliff, every item is two-coloured: light cream-beige as the basic colour is combined with soft white. In this delicate mix of colours, plates, cups and bowls in various sizes rise above the table surface like single small cliff coasts, and create a harmonious, timeless look.

Extensive, hilly outlines of a coastal landscape are also reflected in the soft and irregular contours of Thomas Cliff collection and bring tranquility and relaxed naturalness to the table.

With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the "Thomas am Kulm" porcelain factory in Speichersdorf, which offer some of the porcelain industry's most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward-looking investments that have been made.

New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
