Time to relax: A stylish Rosenthal watch is the perfect Christmas gift

Whether fine cherry blossom, magic garden or trendy skull motif - Rosenthal Watch collection with its handcrafted face made of fine Rosenthal porcelain is the perfect gift for Christmas. Who does not love small artworks that are made with so much love?

Tropea model

The fine, hand-moulded face with a porcelain droplet relief brings to mind Rosenthal's Vibrations vase. With its satin-covered brown calfskin strap, rose gold casing and black quartz movement, the delicate watch makes an attractive style statement on the wrist.

Sunset model

The Sunset watch, with its radial face finished with either real gold or real silver, ion-plated stainless steel casing and high-quality calfskin strap, proves that simple can also be extraordinary. Available in stainless steel and gold.

Sun Ray model

With modern straight lines, decorated by hand and featuring a high-quality calfskin strap, this model is a classic for life. Available in stainless steel or gold.

Skeleton model

Skeleton is an impressive piece, featuring a hand-moulded porcelain face that reveals a high-quality Japanese self-winding movement and is adorned with real gold. Thanks to its multi-functional calfskin strap, the stainless steel casing can also be worn as a pocket watch or around the neck as a pendant.

Magic Garden model

Can an entire botanical garden, complete with plants and insects, flourish in just a few square centimetres? The Magic Garden model, with its fine, hand-painted relief decorated with real gold, has the answer. Available in gold, with a high-quality Swiss quartz movement and calfskin strap.

Cherry Blossom model

Fine cherry blossom, hand-painted in shades of pink, graces the airy face of the Cherry Blossom model. With straps made from high-quality calfskin and a Swiss quartz movement, this watch is sure to please more than just lovers of floral designs.

Rock 'n' Skull model

Rock 'n' Skull combines the delicate nature of porcelain with a stylish skull motif to make a powerful fashion statement. Available in stainless steel/silver, stainless steel/titanium and gold, each with a high-quality Swiss quartz movement and calfskin strap.

Asymetria model

With Roman numerals, larger at the bottom of the face than at the top, coupled with a simple pair of hands, the Asymetria model fuses tradition and modernity. Available in stainless steel with a calfskin strap or in rose gold with a high-quality Milanese strap.

Rosenthal may have one of the longest traditions of Germany's companies, but is also one of the most modern. Just as we did when we were originally founded over 135 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset "made in Germany", never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and

the “Thomas am Kulm” porcelain factory in Speichersdorf, which offer some of the porcelain industry’s most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward- looking investments that have been made. New interior collections and accessories enrich the Rosenthal world by adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
