## You Are My Sunshine! Exquisite gift ideas for Mother's Day

### Hutschenreuther - Flower Alphabet

Flower types from all over the world collects Hutschenreuther on 26 colourful mugs in **the gift collection "Flower Alphabet"**. Each letter corresponds with a flower: asters, begonias, crocuses - almost an entire flower atlas can be found on the high-quality bone china mugs. Delicate pastel colours in the décor set romantic accents.

### Rosenthal - Far, Far, Closer

Coming to ourselves, retreating into our innermost being, gives us support in times of outer uncertainty. With **"Far, Far, Closer"** Morgann Lechat captures this intimate journey into a world unknown and yet so close to us in emotional illustrations. The sensitive and at the same time insistent motifs are space-spanning, they do not restrict themselves by formal boundaries, but cross them and reconnect beyond them - and tell, with hands and faces, their stories of the need for touch and closeness, to ourselves and others.

### Hutschenreuther - Flower Minis

Slim, bulbous, cup-shaped - **the new lovely Hutschenreuther Flower Minis** made of fine Bone China are an absolute eye-catcher. Their silhouettes imitate the classic Hutschenreuther vase shapes and whether on their own or as a group, these six graceful tinies are the perfect match to any interior. The all-rounders in miniature reach a height of only seven to eleven centimetres and show off small bouquets just as skillfully as single flowers.

## Hutschenreuther - My Mug Collection 2022

The much-loved **Hutschenreuther "My Mug" collection is expanded in 2022 with four new cheerful motifs**. Sweet lucky charms like ladybugs, horseshoes and clover leaves on the "Eine Tasse Glück" (en: A mug of happiness) décor, spontaneous moments of happiness on "Oh happy Day" and "Muntermacher" (en: A pick-me-up), and time with a dear person on the mugs in the "Love is all you need" series adorn the high-quality Bone China mugs.

## Arzberg - Tric Sunshine Collection

The **Tric Sunshine collection** brings glamour into everyday life. The soft white porcelain saves the warmth of freshly brewed coffee or tea, the golden glaze of the inner side of the cups glows elegantly and exudes comfort and style. The glossy golden gift box with the marbled inside attracts maximum wow-effect when given to your beloved ones.

Rosenthal may have one of the longest traditions of Germany's companies, but is also one of the most modern. Just as we did when we were originally founded over 140 years ago, Rosenthal develops products equally for discerning end customers and for exacting professional clients from the restaurant and hotel trade. Our products stand out with exceptional form, function, quality and craftsmanship and represent a cultural asset "made in Germany", never ceasing to combine innovation and creativity. With its award-winning porcelain design, trendy lifestyle collections and modern, elegant classics, the Rosenthal brand raises the bar time and again for aesthetics and individuality.

Established figures from the worlds of architecture, design and art, but also the hottest newcomers and talents design avant-garde dinner table collections, foster a joy of giving and create sophisticated furnishings. The collections are manufactured in the Rosenthal porcelain factory in Selb and the "Thomas am Kulm" porcelain factory in Speichersdorf, which offer some of the porcelain industry's most advanced production facilities anywhere in the world and deliver sustainable manufacturing with careful use of resources thanks to the forward-looking investments that have been made.

New interior collections and accessories enrich the Rosenthal world by

adding designer objects that go far beyond the limits of a conventional table setting and round off the huge product variety.
